### **DUTIES**

An Equipment Specialist determines departmental equipment needs; prepares specifications; inspects equipment received from vendors; makes recommendations in connection with the purchase, operation, and maintenance of a wide variety of transportation, construction, fire, recreation, and park maintenance equipment; or participates in and supervises such work; and does related work.

### **REQUIREMENTS**

1. Four years of full-time paid experience as an Equipment Mechanic or in a class at that level which provides experience in the maintenance and repair of transportation, construction, fire, or park maintenance equipment; **or**
2. Four years of full-time paid experience in a class at the level of Management Analyst which provides experience in the analysis of equipment repair activities or in the analysis of either the operation or maintenance and repair of transportation, construction, fire, or park maintenance equipment.

Successful completion of sixty semester units or ninety quarter units from an accredited college or university which includes at least 12 semester or 18 quarter units of courses in administration, engineering, mathematics, or physics may be substituted for a maximum of two years of the required experience.

### **NOTES:**

1. Applicants who lack six months or less of the above required experience may file for this examination. However, they cannot be appointed until the full experience requirement is met.
2. Some positions may require a valid California Class B driver's license and valid medical certificate. Prior to appointment, all candidates must submit a commercial driving history in accordance with the California Department of Motor Vehicles CVC Section 1801.1. Candidates may not be eligible for appointment to these positions if their record within the last 36 months reflects three or more moving violations and/or at-fault accidents, or a conviction of a major moving violation (such as DUI).
3. Applicants who wish to substitute education for experience, must list their school name and location, total number of units completed, and completion dates. In addition, for the courses in administration, engineering, mathematics, or physics, applicants must list the course titles, number of semester or quarter units, and completion dates for EACH course claimed as qualifying.
4. Please note that qualifying education must be from a college or university accredited by a City of Los Angeles recognized agency. A list of approved accredited agencies can be found at <http://per.lacity.org/Accredited%20Institutions%2008-21-08.pdf>.
