DUTIES

A Mechanical Repairer does a variety of tasks in maintaining and repairing mechanical equipment and tools.

REQUIREMENT/MINIMUM QUALIFICATION

Two years of full-time paid experience at the helper level performing mechanical repair work.

Completion of the Los Angeles Trade Tech Air-Cooled Engine curriculum may be substituted for a maximum of one year of the required experience.

PROCESS NOTES

1. Applicants who lack six months or less of the required experience may file for this examination. However, they cannot be appointed until the full experience requirement is met.
2. For applicants substituting the Los Angeles Trade Tech Air-Cooled Engine curriculum for the experience, a copy of the Certificate of Completion must be attached to the online application at the time of filing. The copy of the certificate must be attached to the online application BEFORE the application is submitted. If the document is attached AFTER the online application has been submitted, it will not be available to the City and applicants WILL NOT be credited with completing the program. Applicants who fail to submit the Certificate of Completion at the time of filing by attaching it to the online application will not be considered further in this examination.
3. An Environmental Protection Agency Universal Technician Certificate issued under the provisions of Section 608 of the Clean Air Act may be required prior to appointment.
4. Some positions may require a valid California Class B or Class C driver's license. Candidates may not be eligible for appointment to these positions if their record within the last 36 months reflects three or more moving violations and/or at-fault accidents, or a conviction of a major moving violation (such as DUI).
5. For positions requiring a valid Class B driver's license, candidates will be asked to submit a commercial driving history in accordance with the California Department of Motor Vehicles CVS Section 1808.1 prior to appointment.
