DUTIES

A Principal Civil Engineering Drafting Technician directs and coordinates the work of drafting personnel in a major engineering drafting unit engaged in preparing civil, architectural, structural, street lighting or other engineering designs and plans for City construction projects, and in preparing and maintaining maps, drawings and technical records for waterworks, transmission lines, electrical and street lighting facilities, using a Computer Aided Drafting & Design (CADD) system; applies sound supervisory principles and techniques in building and maintaining an effective work force; and fulfills equal employment opportunity responsibilities.

REQUIREMENTS

Three years of full-time paid experience as a Senior Civil Engineering Drafting Technician or Senior Architectural Drafting Technician or in a class at that level, supervising civil engineering or architectural drafting technicians.

NOTES:

1. In addition to the regular City application, all applicants must complete the Principal Civil Engineering Drafting Technician Qualifications Questionnaire at the time of filing. The Principal Civil Engineering Drafting Technician Qualifications Questionnaire is located within the Supplemental Questions Section of the City application. Applicants who fail to complete the Qualifications Questionnaire will not be considered further in this examination, and their application will not be processed.
2. Applicants who lack six months or less of the required experience may file for this examination. However, they cannot be appointed until the full experience requirement is met.
3. For some positions, Computer Aided Drafting & Design (CADD), drawing management systems, and/or Geographic Information System (GIS) knowledge and experience is desired.
4. Some positions may require a valid California driver's license. Candidates may not be eligible for appointment to these positions if their record within the last 36 months reflects three or more moving violations and/or at-fault accidents, or a conviction of a major moving violation (such as DUI).

AN EQUAL EMPLOYMENT OPPORTUNITY EMPLOYER

APPLICATION DEADLINE

Applications and Qualifications Questionnaires must be received by THURSDAY, MAY 5, 2016.

SELECTION PROCESS

Examination Weight: Essay Advisory
Interview 100%

The examination score will be based entirely on the interview. In the interview, emphasis may be placed on the candidate's experience, training and professional development as they have provided knowledge of: principles of engineering drafting, including nomenclature, methods, conventional symbols and sources of information; safety principles and practices; electronic drafting software sufficient to assist subordinate staff in performing the design activities needed to complete various civil engineering drafting projects; new technology, work productivity, and simplification methods and techniques, such as computer aided drafting and geographical information systems sufficient to streamline the process for project completion; supervisory principles, practices, and techniques such as delegation of authority, progressive discipline, performance evaluation, planning, organizing, directing, and staffing sufficient to successfully oversee the work of a major engineering drafting unit; pertinent City personnel rules, policies, and procedures, including Equal Employment Opportunity and memoranda of understanding as they apply to subordinate personnel; and the ability to review, check, verify and critique the accuracy and conformance to standards of designs, drawings and plans; plan work in a way which achieves organizational and project objectives, completes assignments in a timely manner, and manages multiple assignments and responsibilities efficiently; estimate the time, cost, budget, personnel and materials needed to complete various civil engineering drafting projects; supervise and train civil engineering drafting personnel; motivate and influence people at a variety of levels to work together and act in ways which contribute to accomplishment of department goals and objectives; write memos, letters, justifications, and narrative reports which are clear, comprehensive, accurate, logically arranged, and incorporate correct English grammar, syntax, spelling, and sentence structure; communicate orally on a one to one, or one to group basis in a clear, concise, succinct, and effective manner; deal tactfully and effectively with employees, management, and the public; and other necessary skills, knowledge, and abilities.

As part of their evaluation of each candidate's overall qualifications for the job, the interview panel members will consider the information in the candidate's Qualifications Questionnaire. Candidates may expect panel members to discuss this information during the interviews. Unsolicited supplemental information will not be submitted to the interview panel.

At the time of the interview, candidates will be required to prepare some written material in response to a problem related to the duties of a Principal Civil Engineering Drafting Technician. This material will not be scored separately, but will be presented to the interview panel for discussion with the candidate and for consideration in the overall evaluation of the candidate. Candidates who fail to complete the advisory essay may be disqualified. Candidates may anticipate that PCs (personal computers) will be made available to type their advisory essay responses.

Candidates will be notified later by e-mail of the date, time, and location of the interview, which will be held in Los Angeles. It is anticipated that the interview will begin during the period of **MAY 30, 2016 to JUNE 10, 2016.**
