SELECTION PROCESS

After meeting minimum qualifications, candidates will be scheduled for the following:

Examination Weight: Essay **Advisory**
Interview **100%**

The examination will consist entirely of an evaluation of professional and personal qualifications by interview. In the interview, the following competencies may be evaluated: Analytical Ability, Supervision, Teamwork, Oral Communication, Written Communication, Program Responsibility, Leadership, and Job Knowledge, including knowledge of: the theory, principles, and practices of transportation engineering; various concerns and issues that may arise related to transportation engineering, such as congestion, safety, construction, and design issues; software programs and their functions used for transportation engineering analyses and reports; multi-modal transportation treatments and designs; and other necessary skills, knowledge, and abilities.

Additional information can be obtained by going to <http://per.lacity.org/index.cfm?content=jobanalyses> and clicking on Competencies under Senior Transportation Engineer.

At the time of the interview, candidates will be required to prepare some written material related to the duties and responsibilities of a Senior Transportation Engineer. This material will not be separately scored, but will be presented to the interview board for discussion with the candidate and for consideration in the overall evaluation of the candidate. Candidates who fail to complete the advisory writing session may be disqualified. Candidates may anticipate that PCs (personal computers) will be made available to type their advisory essay responses.

The interviews, which will be held in Los Angeles, are anticipated to begin during the period of **DECEMBER 11, 2017 to DECEMBER 22, 2017**. Candidates invited to participate in the interview will be required to self-schedule themselves for a specific date and time. Candidates will receive an e-mail from the City of Los Angeles outlining the specific steps on how to self-schedule themselves, and will be required to do so by the date provided in the instructions sent to them via email. Candidates that do not self-schedule themselves within the required time will not be considered further in this examination.
