SELECTION PROCESS

Examination Weight: Interview 100%

The examination will consist entirely of an evaluation by interview. In the interview, emphasis may be placed on the adequacy of the candidate's experience, training and personal qualifications as they provide knowledge of: the principles and methods for inspection, maintenance and repair of blowers, fans and other ventilating equipment, pumps and auxiliary equipment, steam and gas air compressor units, gear drivers, bar screens and other wastewater solids collection equipment, belt and screw conveying equipment, boilers, hoists and rigging equipment; tools and materials used for disassembling and reassembling machinery; departmental lock out-block out procedures; safety principles, practices and regulations; relevant types of reference materials; the ability to use computer programs, such as Enterprise Maintenance Planning and Control (EMPAC); plan, schedule, estimate and evaluate work projects; estimate cost budgets; train, supervise and discipline subordinates; interpret relevant City rules, policies and procedures, including Equal Employment Opportunity principles; effectively communicate orally and in writing; and other necessary skills, knowledge, and abilities.

At the time of the interview, candidates will be required to prepare some written material related to the duties and responsibilities of a Wastewater Treatment Mechanic Supervisor. This material will not be separately scored, but will be presented to the interview board for discussion with the candidate and for consideration in the overall evaluation of the candidate. Candidates who fail to complete the advisory writing session will be disqualified. Candidates may anticipate that PCs (personal computers) will be made available to type their advisory essay responses.

Candidates will be notified later by mail of the date, time, and location of the interview, which will be held in Los Angeles. It is anticipated that interviews will begin during the period of **OCTOBER 27, 2014 to NOVEMBER 7, 2014.**
