## **SELECTION PROCESS**

**Examination Weight: Essay** ..... **Advisory**  
**Interview** ..... **100%**

The examination will consist entirely of an evaluation of training, experience, and personal qualifications by interview. In the interview, emphasis may be placed on the adequacy of the candidate's experience, training, and professional qualifications, including knowledge of: water line pressures for pumping plants and reservoirs; DWP Power System electrical codes and construction policies and procedures; methods, materials, and equipment used to plan and supervise subordinate supervisors engaged in the installation, maintenance, repair, and overhaul of electric stations, generating plants, and pumping stations; hoisting and rigging equipment; CAL/OSHA Title 8 regulations and the hazards involved in working on or near off-line and energized equipment sufficient to recognize and act upon job-site safety hazards; DWP high voltage clearance procedures and employee safety requirements necessary to plan and complete electrical repair, maintenance, and overhaul jobs; Federal, State, and City regulations covering the use, storage, and disposal of hazardous material; supervisory principles and practices such as directing, assigning, motivating, training and counseling staff; pertinent City and Personnel Department rules, policies and procedures including Equal Employment Opportunity principles and Memorandum of Understanding; and the ability to read blueprints, diagrams and circuit plans; organize and schedule power and water stations construction and maintenance work projects; estimate cost, labor, time, and materials; manage subordinate work assignments in order to prioritize jobs and maintain a balanced workload; use independent judgment sufficient to set up job priorities on an emergency or non-emergency basis; plan, organize and conduct staff, supervisor and employee safety meetings; deal tactfully and effectively with others; communicate orally in an effective manner; write complex technical materials using correct grammar, punctuation and syntax; and other necessary skills, knowledge, and abilities.

At the time of the interview, candidates will also be required to prepare some written material related to the duties and responsibilities of a Senior Electrical Mechanic Supervisor. This material will not be separately scored, but will be presented to the interview board for discussion with each candidate and for consideration in the overall evaluation of the candidate's qualifications. Candidates who fail to complete the advisory writing session may be disqualified. Candidates may anticipate that PCs (personal computers) will be made available to type their writing exercise responses.

Candidates will be notified by mail of the date, time, and location of the interviews, which will be held in Los Angeles. It is anticipated that the interviews will begin during the period of **OCTOBER 27, 2014 to NOVEMBER 7, 2014**.

### **NOTES:**

1. The examination is based on a validation study.
