**AN EQUAL EMPLOYMENT OPPORTUNITY EMPLOYER**

## **SELECTION PROCESS**

**Examination Weight:** Essay ..... **Advisory**  
Interview ..... **100%**

The examination will consist entirely of an evaluation of professional and personal qualifications by interview. In the interview, emphasis may be placed on the candidate's experience, training and background as they demonstrate the knowledge of: electricity and electronics as related to the installation, maintenance, and repair of electrical equipment, electronic solid state devices, circuits, wiring, and equipment in Port installations; electrical, mechanical, electronic, rigging, and hydraulic components and systems; major and minor malfunctions of mechanical equipment and the methods of repairing them; preventive maintenance measures for Port electrical equipment; testing instruments such as digital and analog volt-ohm meters, clamp-on meters, meggers, dial indicators and pressure test gauges and how they work; equipment used in the repair of Port electrical and mechanical equipment; State and departmental safety rules, regulations, principles and practices including, pertinent provisions of the Los Angeles City Electrical Code, Cal/OSHA Title 8 Electrical Safety Rules, California Electrical Code, National Electrical Code, National Electric Safety Code, and California Electrical Safety Orders; Port Hazardous Energy Control Program and safe working practices when working on, or in proximity to, energized low-and high voltage conductors and equipment, or to open energized conductors and equipment, including lockout/tagout procedures; principles and practices of supervision, including, directing, assigning, training, counseling, commending and evaluating the work of subordinates in order to serve as a functional supervisor; pertinent City and Personnel Department rules, policies, and procedures including Equal Employment Opportunities; and the ability to direct and coordinate the work of groups of employees engaged in a variety of electrical, mechanical and rigging activities; effectively manage time and prioritize assignments; communicate effectively, both orally and in writing sufficient to write routine, timely reports and descriptions of work accomplished or problems encountered; deal tactfully and effectively with subordinates, other employees, tenants, and the public; and other necessary skills, knowledge and abilities.

At the time of the interview, candidates will be required to prepare some written material related to the duties and responsibilities of a Senior Port Electrical Mechanic. This essay material will not be separately scored, but will be presented to the interview board for discussion with the candidate and for consideration in the overall evaluation of the candidate. Candidates who fail to complete the advisory essay may be disqualified. Candidates may anticipate that PCs (personal computers) will be made available to type their advisory essay responses.

Candidates will be notified later by e-mail of the date, time, and location of the interview, which will be held in Los Angeles. It is anticipated that interviews will begin during the period of **MAY 4, 2015 to MAY 15, 2015**.
