DUTIES

An Asbestos Supervisor supervises crews of Asbestos Workers, other crafts, and helpers engaged in the removal, installation, and disposal of insulating materials from equipment or areas. Supervises crews engaged in the containment, removal, and disposal of hazardous materials, such as asbestos and lead, from equipment or areas; applies sound supervisory principles and techniques in building and maintaining an effective work force; and fulfills equal employment opportunity responsibilities.

REQUIREMENT

Four years of full-time paid experience as an Asbestos Worker with the City of Los Angeles.

NOTES:

1. In addition to the regular City application all candidates must complete the Asbestos Supervisor Qualifications Questionnaire at the time of filing. The Asbestos Supervisor Qualifications Questionnaire is located within the Supplemental Questions of the City Application. Applicants who fail to complete the Qualifications Questionnaire will not be considered further in this examination and their application will not be processed.
2. Applicants who lack six months or less of the required experience may file for this examination. However, they cannot be appointed until the full experience requirement is met.
3. Incumbents must be trained and maintain the certification of training for "Supervisor/Competent Person" in the handling, decontamination, and disposal of hazardous materials such as asbestos and lead.
4. Some positions may require a valid California driver's license prior to appointment. Candidates may not be eligible for appointment to these positions if their record within the last 36 months reflects three or more moving violations and/or at-fault accidents, or a conviction of a major moving violation (such as DUI).

AN EQUAL EMPLOYMENT OPPORTUNITY EMPLOYER

SELECTION PROCESS

Examination Weights:	Advisory.	Essay
	Interview.	100%

The examination will consist entirely of experience and personal qualifications by interview. In the interview, emphasis may be placed on the candidate's knowledge of: types of materials and their use in insulating pipes, equipment, and asbestos removal; procedures, tools, and equipment used to apply insulating materials and to remove asbestos, magnesia, Hantavirus contamination, mold remediation, and other hazardous materials; permitting requirements for equipment sufficient to ensure compliance with department standards, plans, and specifications; regulatory requirements pertaining to hazardous materials, including CAL/OSHA, EPA, and AQMD; pertinent City and Personnel Department rules, policies, and procedures, including Equal Employment Opportunity (EEO) and Memoranda of Understanding (MOUs); fundamental principles and practices of supervision, including directing, assigning, motivating, training, disciplining, commending, and evaluating the work of staff; and the ability to direct and coordinate the work of Asbestos Workers, other crafts, and helpers engaged in the removal, installation, and disposal of insulating materials; determine and direct crews in the most efficient and cost effective manner; read, interpret, and work from plans and specifications; estimate time and materials needed to complete a job; use various computer programs, including word processing, spreadsheets and electronic mail; communicate, both orally and in writing, in a clear, concise, and effective manner sufficient to prepare detailed work reports, letters, memos, performance evaluations, and work procedures; deal tactfully and effectively with coworkers, other City employees, members of the public, and others; and other necessary skills, knowledge, and abilities.

The Qualifications Questionnaire will not be separately scored, but will be considered by the interview board in evaluating each candidates' qualifications. Candidates may expect the interview panel members to discuss this information during the interview. Qualifications Questionnaires submitted by candidates on the day of the interview will not be accepted for presentation to the interview board.

Candidates will be required to prepare some written material on a topic related to the duties and responsibilities of an Asbestos Supervisor. This essay material will not be scored separately, but will be presented to the interview board for discussion with each candidate and for consideration in the overall evaluation of the candidate. Candidates may anticipate that PCs (personal computers) will be made available to type their responses. Candidates will be notified later by e-mail of the time and location of the advisory written session, which will be held in a single half day session on **SATURDAY, APRIL 9, 2016**, in Los Angeles.

Candidates must complete the advisory writing exercise. Those who do not complete the advisory writing exercise will not be invited to the interview and will be considered to have failed the entire examination.

Candidates will be notified later by e-mail of the date, time, and location of the interview, which will be held in Los Angeles. It is anticipated that interviews will begin during the period of **MAY 2, 2016 TO MAY 13, 2016**.
